

Class 6

20.06.25

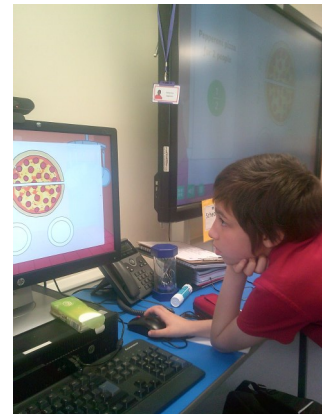

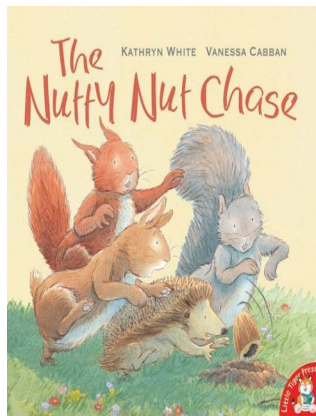

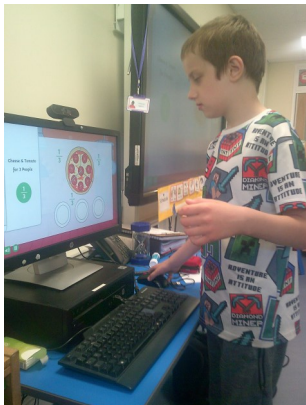

The children in Class 6 have had a fantastic week.

In numeracy, the children have started a new topic based around fractions. The class have played a range of interactive whiteboard games and they can all identify a whole and a half.

In literacy this week, the children have continue to read their new text called 'Fantastic Mr. Fox' by Roald Dahl. The children were really interested to see the lengths the farmers would go to dig the foxes out of their underground home.

The children really enjoyed 'Sport's Day' on Wednesday. Although it was really hot, the children completed all of the activities and it was nice to see them all work as a team. Great job Class 6.

This week the children have been listening to 'The Nutty Nut Chase' by Kathryn White and Vanessa Cabban. The class liked listening to the adventure of the forest animals chasing a nut, only to find out that it was only a shell that was stuck on the end of mole's nose.

Have a great weekend!
