

Class 8

27.6.25

Literacy

In literacy we have continued reading our story The Hodgeheg and have been listening to and answering a range of questions about nocturnal animals. We have also been learning about the different safe places human use to cross a road such as pelican and zebra crossings and a lollipop person and had lots of fun creating our own paper traffic lights.

Numeracy

In Numeracy some of us have been working on number and place value and have been:

- ♦ Finding one less within 10
- ♦ Adding one more within 10
- ♦ Counting within 20
- ♦ Understanding numbers 17, 18, and 19
- ♦ Ordering numbers to 20

14, 12, 5

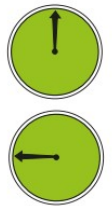

Some of us have been working on statistics and have been:

- ♦ Drawing and interpreting pictograms

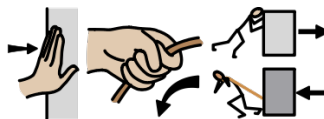

Some of us have been working on shape and have been:

- ♦ Recognising angles of a shape and turn

Topic

This week we have been listening to information about push and pull forces and have been using our new learning to explore how a range of toys work/move. We have also had lots of fun designing the packaging for a new push, pull or push and pull toy.

Storytime

This week we have continued reading the story 'Green Eggs and Ham' by Dr Seuss.
