Areas in which I feel I would like support / help from The Hub / School.

I would like to be more involved with The Hub / School in the following ways.

- I would like to be involved with the Hub as they are an important part of my son's journey

What I particularly like about The Hub / School

- A safe positive learning environment with fantastic staff
- The staff are laid back, not forceful which gains them more respect from the children, but at the same time they deal with any issues well
- How friendly and welcoming, how they are always helping the children with any help & support

What I think could be better in The Hub / School.

- Better mix of ages – more of the same year group
- Information on topics the children are learning
- Nothing as they do an amazing job

Ways in which I believe the site security could be improved for The Hub

- An intercom for the hub gate instead of a nursery office visit
- Nothing as they keep the children safe and no one is allowed unless they have been informed about different pickups

What would be the most important statement that you would like to share with potential new parents about The Hub?

- The staff are brilliant, my child has only been there a short time and has leaped up in progress by a few years in less than 12 months
- The staff are amazing, as it was the best decision we ever took to send our son there, he has come on leaps and bounds since he has been there

Further comments I would like to make.

- I would tell any parent that was our best choice, and I would tell them to do the same. The staff are outstanding, and they go beyond in helping the children. It will be a very sad day when our son leaves as they have been an important part of his journey
