Class 11

Wow what a busy end to the half term we have had in class 11! We have been looking at feeling happy in our zones of regulation work. We have explored more plants and seeds when we used our senses to find out all about pumpkins. We created some fun eruptions in our sensory explore time which we all really enjoyed. We have been creating structures using different building resources. We had a fantastic time in PE linking our phonics and movement doing the body alphabet together. We have had a fantastic half term and we are so proud of how well the children have settled into class 11. We can't wait to see what exciting things they achieve next half term. Have a great break over the half term and we thank you for all of your support.
