Class 11

Welcome back everyone it has been lovely to see everyone back and happy to be here ready to learn. We have had a busy week in class 11. We have started finding out about remembrance and making different poppies including our class wreath for the whole school remembrance display. We have been exploring gloop and adding different amounts of cornflour and water to change the texture which we found fascinating. We have been reading Monkey Puzzle in literacy and using our curiosity to find out about animals who have babies that look very different to them. We have had lots of fun in outdoor school too this week - if anyone wants to send waterproofs and wellies in to help keep uniform cleaner please just pop them into bags with a note in the diaries.. We have had some building work completed over the half term holiday which means that class 11 now have even more room to play outside near our classroom, this is proving very popular.
