

07.11.25

## Class 4

### Literacy

In Literacy this week, the children enjoyed watching the scene from *Beauty and the Beast* where Belle runs into the forest and is attacked by wolves. They worked hard to construct sentences to show the order of events and matched pictures to each sentence.

During Storytime, the children listened to 'Hairy Maclary From Donaldson's Dairy' by Lynley Dodd. They talked about the characters, shared their favourite parts and joined in with repeated phrases!

### Numeracy

In Numeracy, the children have worked hard on addition and subtraction. They have completed part-whole models and used these numbers to write related number facts and sentences. Some children have also challenged themselves by solving simple word problems using addition and subtraction.

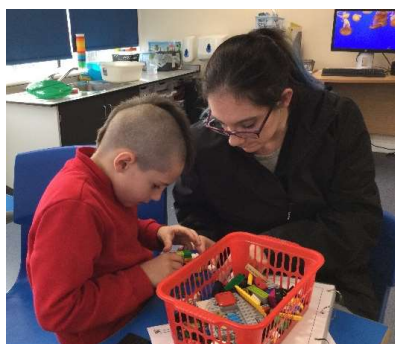

### Topic

The children have started a new topic this week: *What's It Made Of?* They enjoyed an exciting entry point activity which involved making a toy or object using junk modelling materials. The children also completed a knowledge harvest to share their ideas about what our new topic might involve. It was wonderful to hear their thoughts and see what they already know about different materials.

### Shared Learning

The children enjoyed a lovely afternoon of shared learning with parents and carers. They took part in a range of activities, including sponge boat making, telephone cup communication, Picasso style collages and musical instrument creations. It was wonderful to see everyone working together and having fun. The children thoroughly enjoyed this topic and loved learning about famous people from the past.

Have a lovely weekend!
