

Class 6

14.11.25

The children in class 6 have had a fantastic week.

In numeracy, the children have started a new topic based on subtraction. The class have used blocks to subtract two different numbers and they have completed some interactive whiteboard games to develop their understanding.

In SPAG this week, the children have been learning about Remembrance Day. The children worked as a team to produce a poppy wreath which was proudly displayed on our school fence.

Next week, the class will be starting their new text called 'The Diary of a Killer Cat.' The children have been making predications of what the mischievous cat will get up to.

In preparation for Children in Need, the children have been making their own Pudsey hats to wear as part of the celebrations on Friday. They enjoyed using the paints to make the spots and they have all had a lot of fun.

This week the children have been listening to 'The Fangtastic Adventures of Dracula's Dentures' by Philip Hawthorn and Kim Blundell. The class enjoyed finding out what happened when Countess Dracula is left to terrify the town why the Count takes a vacation.

Have a great weekend!
