

Class 8

14.11.25

Literacy

In literacy we have continued reading our story *Beauty and the Beast*. We have had lots of fun following instructions to make food items and have been enjoying what we baked at our Be Our Guest party. We have been writing a letter to Lumiere telling him all about what we ate and did at the party. We have also been answering a range of questions such as who, doing what and where to recall what happened recently when Belle explored the West Wing.

Numeracy

In Numeracy we have continued working on addition and subtraction. We have been:

- ◆ Using addition fact families within 10
- ◆ Recalling number bonds to 10
- ◆ Writing number sentences
- ◆ Showing an understanding of systematic bonds within 10
- ◆ Using and recording the addition and subtraction eight fact families
- ◆ Adding or subtracting 1 or 2
- ◆ Adding two numbers with no exchange

$$\square + \square = \square$$

$$3 + 5 = 8$$

$$8 = 3 + 5$$

$$5 + 3 = 8$$

$$8 = 5 + 3$$

$$8 - 5 = 3$$

$$3 = 8 - 5$$

$$8 - 3 = 5$$

$$5 = 8 - 3$$

Topic

This week in topic we have been learning about the material plastic. We have been exploring objects made of plastic and have been using a range of adjectives to describe what they feel like. We have also been sorting items into groups of 'plastic or not plastic' and have completed a mini science investigation to test if plastic can be squashed, stretched, bent or twisted.

Storytime

This week we have been reading the story 'Marmalade - The Orange Panda' by David Walliams.
