In Literacy this week we enjoyed some 'hot seat' drama as well as lots of Pokémon themed writing and reading! I made a good evil stepmother!

We enjoyed welcoming a new child to the hub this week, the children showed just how kind and caring they can be, we also had fun celebrating Children In Need day - watch out for our crazy money making ideas next week!

In Maths this week we got busy multiplying and dividing with sweetsies!

The children enjoyed music with Emily this week, playing the bells and chimes. Excellent listening skills and playing skills by all!
