

Class 2 News

This week Class 2 have been enjoying the book *Who's at the Zoo?* Based on a story book by Julia Donaldson. We have learned the Makaton signs and symbols for the animals in the story and enjoyed dancing like the animals move. We have used our phonics to help us listen for sounds in words to read and write animals names and practised our strong fingers for writing making animal patterns in sand and foam.

In maths we have been learning how to add 1 more and have used objects, bricks, Numicon shapes and numbers to really help us understand what is happening each time.

In our topic work we have been busy designing zoos and found out about animal tracks in Outdoor School. Great work everybody! If you have any questions or worries please do come and speak to me or contact the office anytime.

Wishing you a lovely weekend, Mrs Shannon and the Class 2 team xx
