

# Class 8

21.11.25

## Literacy

In literacy we have continued reading our story *Beauty and the Beast*. We have been reading information and answering a range of questions about wolves. Some of us have identifying who, doing what and where within images showing Belle helping the Beast and the enchanted objects. Some of us have been sharing our own ideas and writing in full sentences about how Belle could help. We have also been completing another character profile on the Beast talking about how he has changed within recent story events.

## Numeracy

In Numeracy some of us have continued working on addition and subtraction. We have been:

- ♦ Writing number sentences
- ♦ Solving number bonds within 10
- ♦ Showing an understanding of systematic bonds within 10
- ♦ Adding numbers together within 10
- ♦ Using and recording the eight fact families linking to addition and subtraction
- ♦ Adding by counting on within 20

Some of us have been working on multiplication and division and have been:

- ♦ Dividing by 8

## Topic

This week in topic we have been learning about the material fabric. We have been exploring objects made of fabric and have been using a range of adjectives to describe what they feel like. We have also been sorting items into groups of 'fabric or not fabric' or 'fabric or plastic'. We also had lots of fun completing a mini science investigation to test if different types of fabric could be squashed, stretched, bent or twisted.

## Storytime

This week we have continued reading the story 'Marmalade - The Orange Panda' by David Walliams.
