

## Topic

This week the children have continued our Explorers and Adventurers topic. This week the children have been learning map sand map reading. The children used real maps to look for features and symbols, they also use maps to go for treasure hunt around the school. Something the children very much enjoyed. The children also used robots to navigate a map and created their own treasure map. Next week the children will start to look at historical adventurers.

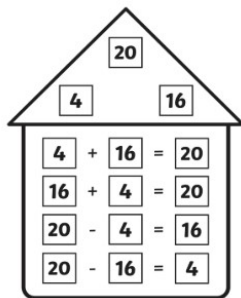

## Numeracy

This week in Numeracy the children have continued their focus on addition and subtraction. The children have been learning to identify number bonds to ten, find fact families and use fact families to solve problems. This focus will continue next week.

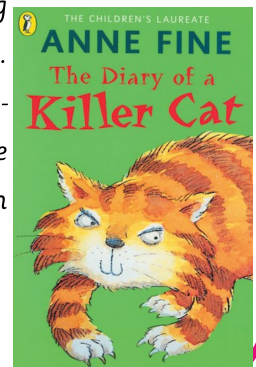

**Fact Family**

$$\begin{array}{l} 5 - 3 = 2 \\ 5 - 2 = 3 \end{array} \quad \begin{array}{l} 2 + 3 = 5 \\ 3 + 2 = 5 \end{array}$$

## Literacy

This week in Literacy the children have continued listening to Diary of a Killer Cat. The children have been learning to write the perfect sentence using the correct punctuation. The children have worked very hard correcting sentences and writing their own perfect sentence. We will continue this focus next week, with the children starting to plan their own dairy entry.

**P.E is on Mondays and Fridays.**

**Home work is Reading, Spellings and Literacy**

# Have a great weekend
