

Badgers

Newsletter

21.11.25

Badgers have had a super week. They have enjoyed exploring the autumn ice balloons this week, learning what makes them melt more quickly. They have also been decorating pine cones and making their owl baby. Badgers know the story, Owl Babies well now and they can retell parts of the story with support and visuals. In Maths they have been sorting 2D shapes and learning their names. They are also learning all of the Twinkl Nativity songs and Makaton signs and getting used to going on the stage. Well done Badgers :) Enjoy your weekend, Mrs Jeffries and Badger's Class Team.
