

Class 14

21.11.25

Literacy

In our Literacy lessons this week we have been focusing on our punctuation whilst reading *The Diary of a Killer Cat*. The children have been rewriting sentences correcting the punctuation and identifying

punctuation in the story.

Some children have been looking at speech marks and how to punctate speech.

P.E.

In P.E. this half term we are working on invasion fundamentals including teamwork and keeping possession of the ball in games.

We have begun by practicing our attacking and defending.

The children have enjoyed using their previous learning in dodgeball to use a range of passes when playing piggy in the middle!

Topic

This week in Topic we have used our learning about continents to help us with identifying countries. The children have been using Google Maps to find countries and identify what continent they are in.

We then learnt about climate - the weather in a place over a along period of time. The children identified the weather in different pictures and used this information to form a picture of the climate in countries.

The children then worked in pairs to chose a country to research and used search engines to find out the climate in that place.
