

This week, in My Art the children have enjoyed looking at different surrealism pictures and finding what they could see on a word mat. They made their own 'egg flower' pictures based on one they had seen.

In Play and Leisure we have used the train track and Lego. It has been lovely to see the children who would not normally play with this equipment doing so.

It was a little warmer this week outside at Outdoor School. As well as making puddles we watered the trees and hunted for our animal teddy friends who were hiding all around the site.

The children have also enjoyed eating what they had made in cooking and dressing up and looking at themselves in different costumes.
