

Class 11

We have had another busy week in class 11. We have been looking at cause and effect toys. Exploring mini beasts has been fun linked to our new literacy text, Mad About Minibeasts. We have been using new equipment in numeracy to support our understanding of the number system. We have been exploring things that we like and dislike and comparing our different opinions in our wellbeing lessons, we found out that we have lots in common but it is OK when people like different things to us too. We have begun rehearsals for our Christmas showcase event on the 8th December and cannot wait to see lots of our grown ups there.
