

Christmas Rehearsals

This week the children have all worked extremely hard rehearsing the Christmas performance for this year. The children have been singing wonderfully and have been on the stage and practicing their singing and dancing. The children have also been helping to make props which we will be using next week.

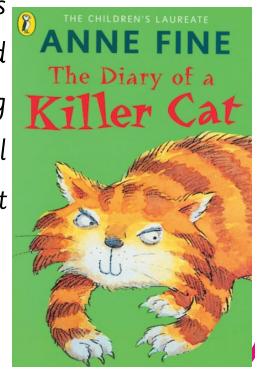

Numeracy

This week in Numeracy the children have continued their focus on addition and subtraction. The children have been using lots of practical resources to make sets, fact families and number bonds. We will continue to develop our addition and subtraction skills next week.

Literacy

This week in Literacy the children have continued listening to Diary of a Killer Cat. The children have continued to develop and extended their knowledge of punctuation and sentence writing. The children have been identifying capital letters, full stops and question marks and then have been using these themselves. We will complete the story next week.

P.E is on Mondays and Fridays.

Home work is Reading, Spellings and Literacy

Have a great weekend
