

Class 8

28.11.25

Literacy

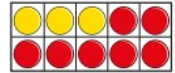

In literacy we have continued reading our story *Beauty and the Beast*. We have been writing a letter as Belle to her father Maurice telling him about the Beast. We have also been writing a list of people, places or things we would like to see in the magic mirror. We then completed a character profile about Gaston, talking about his appearance and personality.

Numeracy

In Numeracy some of us have continued working on addition and subtraction. We have been:

- ◆ Showing an understanding of addition fact families
- ◆ Solving number bonds within or to 10
- ◆ Adding more within 10
- ◆ Using and recording the addition and subtraction eight fact families
- ◆ Adding ones using number bonds

Some of us have been working on multiplication and division and have been:

- ◆ Recalling the 8 times table

$$5 \times 8$$

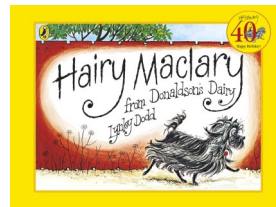

Topic

This week in topic we have been learning about the material wood and have been exploring objects made of wood and talking about what they feel like. We have also been listening to information about how wooden items are made and have been sorting items into groups of 'wood or not wood' or 'wood, fabric or plastic'. We also had lots of fun completing a mini science investigation to test if wood could be squashed, stretched, bent or twisted.

Storytime

This week we have been reading the story 'Hairy Maclary from Donaldson's Dairy' by Lynley Dodd.

Have a nice
Weekend
