

Meeting Individual Needs

12 December 2025

Dear Parent/Carer

Residential Visits 2026

As you may be aware, each year we aim to offer a residential visit for our older children. We are planning to offer our older children a 3 day/2 night stay during the Summer term.

During the visit, the children will have the opportunity to explore a different area, develop their independence by sleeping away from home and take part in educational activities outside of the more usual classroom setting.

We are looking at a price of no more than £300 per child per visit, which is fully inclusive of catering and instructed activities. This is a heavily subsidised cost, with the school meeting the additional funds needed. We realise that this is a considerable expense and we will offer the opportunity for you to agree to pay by instalments, after an initial £20.00 deposit has been paid.

At this stage we are asking Parents/Carers to let us know if they are interested in their child participating. (Our year 6 children will be offered spaces first and then year 5 children will be offered places according to availability).

Once we have this information we can provide further details about venues, costs and dates.

Please complete the slip below and return it to school as soon as possible.

Thank you.
