

News from the Hollinswood Hub: 12<sup>th</sup> December 2025

Hello and welcome back to another week of news from the Hollinswood hub.

Our Christmas preparations are well under way here at the hub.

Thank you to all of you who were able to join us for our open afternoon this week.

It was lovely to see you all and I know the children enjoy welcoming you into the classroom. It was great to have some younger siblings join us too.

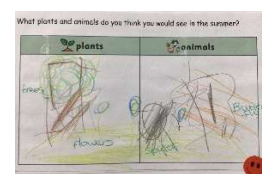

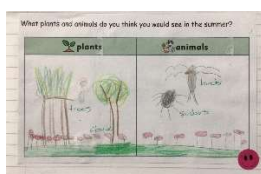

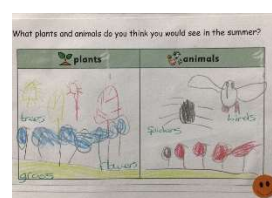

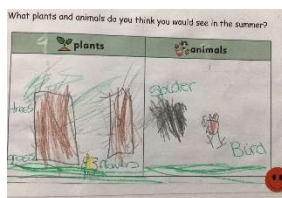

Science

During this week's science lesson, we considered how living things change throughout the year.

We looked closely at our outside environment.

We then thought about what this area might look like in different seasons.

Important Information

Here are a few reminders for the final week of term:
