

We have had an amazing week in Class 5! It was fantastic to see so many parents and carers at our Christmas Showcase on Monday afternoon. The children were awesome!

Tuesday's favourite activity was the foot spa. The children waited and took turns to use the foot spa - bubbles went everywhere! We also made some elf hats and placemats ready for our Christmas Dinner.

On Wednesday children wore their Christmas jumpers and ate their Christmas dinner. We also had a special visitor to class, Mickey Bushell MBE, a Paralympic gold medalist.

Thursday children had a wonderful time at Outdoor School trying to melt our frozen slurpy snowmen. They banged them and used sticks to try and remove the conkers, sticks and eyes from the mixture. We also jumped in puddles and started to add to woven willow circles.

Friday saw the dress rehearsal for 'Ralph the Reindeer'. Children watched this in the morning and then enjoyed an extra Play and Leisure session in the afternoon.
