

This week, in Class 5, we have been very busy with Christmas celebrations. We've done lots of activities including learning about the first Christmas and ordered the key parts, making party food - including Christmas shaped jam sandwiches. We have also made calendars and cards ready to send home. The children have loved dancing, and a parachute sleigh ride, at our class party on Thursday. Friday saw a very special visitor come to school. The children were all very excited to see Father Christmas and of course to receive their special gift.

On Thursday we sent all the PE kits and Outdoor School wellies and waterproofs home. It would be fantastic to have them back, in the first week after the Christmas break, so that the children can continue to practice their independence skills whilst getting changed and ready for each.

Finally, thank-you for the Christmas gifts and all of us in Class 5 hope that you have a happy and safe holiday!
