Class 1 News

This week in Class 1 the children have had another fantastic swimming session. The children did fantastic listening when we were at the pool, and when travelling there and back! Well done everyone!

In PSHE we have learnt about 'challenges'. We listened to the story "I Won't Give Up" and then the children were set a challenge to build a tower using marshmallows!

*Just a quick reminder– please order your child's lunch choices online.
Have a fantastic weekend!*
