

Newsletter 23rd January 2026 Class 3

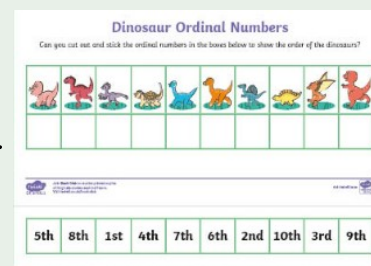

This week in class 3 the children have been enjoying the story *Monkey Puzzle* and lots of lovely activities associated with it. We played with the wild animals and the adults scribed our sentences that we spoke about what we could recall from the story.

In our Maths lessons we have been working on our own personal targets, so some children have been ordering numbers while others have been finding more and less, one more and one less, labelling objects by ordinal numbers and sorting 2d and 3d shapes.

The children created the most beautiful paintings of themselves in our art lesson to replace the ones that we previously had on our birthday wall that had gradually got ripped and disappeared.

We cannot wait to display them once

again in our classroom.

The children made some lovely cakes with Mrs Johnson on Thursday morning and have loved having the music outside at playtime so they can dance and sing.

We are going on our visit to the church in Madeley on Wednesday, so if you have not already sent in your permission slip please could you do so as soon as possible.

On Friday we shared the computers and Ipads with our friends and celebrated our achievements in assembly.

Have a lovely weekend
