

Class 2 News

We have been working very hard in Class 2 this week, helping The Selfish Crocodile to stay happy, healthy and safe as part of our work in Literacy and topic. We have really enjoyed retelling the story with sensory props and used strong crocodile fingers to practice our pencil grip...SNAP!

In topic we worked really well in small groups to make some soap. This was a great way to use lots of science vocabulary to talk about materials and their properties and also really useful as we have been using it to wash our hands before snack and lunch. In maths we have been learning about the concept of long and short, sorting the crocodiles friends by length and measuring using cubes.

Well done everybody, wishing you a lovely weekend, Mrs Shannon and the Class 2 team xx
