Newsletter

23.1.26

Badgers have had another fantastic week learning all about the weather. We have been having fun outside with the scarves in the wind and painting rainbows and learning when and why they happen. In Maths Badgers have been sorting all the Numicon up to 5 and some children have been ordering number cards to 10 and matching amounts of objects to the number. In Phonics the children are learning about environmental sounds, matching musical instruments together when they hear their sound.. Well done Badgers :) Enjoy your weekend, Mrs Jeffries and Badger's Class Team.
