NSPCC Number Day 2026

NON-UNIFORM DAY FRIDAY 6 FEBRUARY

To celebrate maths and raise money for the NSPCC, we will be supporting 'NSPCC Number Day' on the above day.

We would love all children and staff to come to school wearing something number themed in exchange for a donation to the NSPCC. There is no need to buy a new outfit/costume - you can be creative with just paper or material to create digits! Here are a few ideas....

ACTIVITIES IN SCHOOL

Fun number games, puzzles, activities and challenges in classrooms

FUN COMPETITION

Guess Mrs Williams' favourite number!
There will be a prize for the winner(s)!

DONATIONS

All donations should be made via ParentPay please. All the money we raise will be donated to the NSPCC.

All children deserve a childhood free from harm. Sadly, many children's lives are far from happy and the NSPCC's work is focused on helping those children in greatest danger and distress. The NSPCC urgently needs support to raise money to fund their services including Child Line, the helpline for children and young people with nowhere else to turn.

Your support for this important cause is most appreciated - Thank you.
