

# Class 8

30.1.26

## Literacy

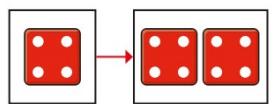

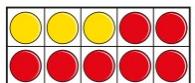

In literacy we have been reading a new fable titled The Tortoise and the Hare. We have been listening to the fable and sequencing images to create a story map of key events. We have also been identifying who, doing what and where to recall the fable and had lots of fun using puppets to act it out.

## Numeracy

In Numeracy some of us have been working on addition and subtraction. We have been:

- ◆ Showing an understanding of addition fact families
- ◆ Solving number bonds within or to 10
- ◆ Adding more
- ◆ Finding a part
- ◆ Subtracting within 10
- ◆ Finding and making doubles

Some of us have been working on length and perimeter and have been:

- ◆ Comparing lengths

1 m 65 cm	165 mm
165 m	165 cm
160 cm 5 mm	16 cm 5 mm

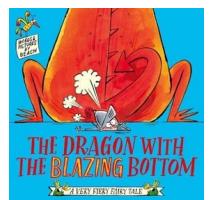

## Topic

In topic we have been thinking about the most appropriate type of transport for a longer journey e.g. Haughton School to London. We have had lots of fun exploring trains in a range of sensory based activities such as trains in paint, trains and the train track, 2D shape trains and colouring. We have also listened well to information about trains and labelled the parts.

## Storytime

This week we have been reading 'The Dragon with the Blazing Bottom' by Beach.

Have a Great  
Weekend
