

Newsletter 30th January Class 3

This week we have been learning about the Church and what we can see inside a Church. The children really enjoyed making their own stained glass window and they look lovely displayed in our classroom.

Unfortunately we weren't able to visit the Church on Wednesday due to transport issues but this will be rearranged for another time.

We also listened to a story called 'An Itch to Scratch' and did lots of activities based on the book. We practised our writing, reading and listening skills.

On Tuesday in PE we practised our cricket skills. The children are getting much better at holding the cricket bat and hitting the ball. Keep it up class 3!

On Thursday we really enjoyed playing the drums. In music we are learning about texture. The children are all really good at copying the adult and repeating the sounds on their drums or by clapping their hands.

We hope you have a lovely weekend.

From the class 3 team.
