

# Class 8

6.2.26

## Literacy

In literacy we have continued reading a the fable titled The Tortoise and the Hare. Some of us have been reading and following instructions to make a paper plate tortoise. Some of us have been working on writing and following our own instructions to make a tortoise out of a range of materials.

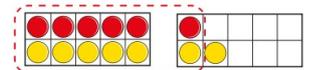

In Literacy we have also been reading the play The Cheetah and the Sloth. We have been identifying what the characters are saying within various scenes and also had lots of fun taking on character roles to perform the play.

## Numeracy

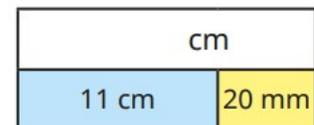

In Numeracy some of us have continued working on addition and subtraction. We have been:

- ◆ Showing an understanding of addition fact families
- ◆ Solving number bonds within or to 10
- ◆ Solving addition problems
- ◆ Finding a part
- ◆ Subtracting within 10
- ◆ Working out near doubles

Some of us have continued working on length and perimeter and have been:

- ◆ Adding lengths

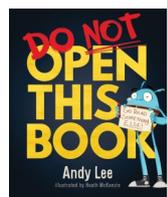

## Topic

In topic we have been thinking about the most appropriate type of transport for an even longer journey e.g. Haughton School to France. We have had lots of fun exploring boats in a range of sensory based activities such as boats in water, watercolour painting, 2D shape boats and colouring. We have also listened well to information about boats and labelled the parts.

## Storytime

This week we have been reading 'Do Not Open This Book' by Andy Lee.

## RE

This week we have enjoyed a visit to St Michael's Church. We listened to a story from the bible, played instruments along to a hymn and we were also provided the opportunity to explore the different areas and items within the church.
