

Class 2 News

This week in Class we have been making sentences linked to our story Handa's Surprise. We have learned how to use adjectives like yellow, spiky and soft to describe different fruits and been working hard on letter formation to write the sentences we have made using pictures and symbols.

In maths we have enjoyed exploring full and empty with lots of opportunities to fill, pour, empty and measure simple containers of different shapes and sizes. In PSHE we have been practicing working together and created a lovely group collage. In topic we have used maps and globes to look at where different kinds of fruit come from and have begun to learn the names of some of the continents.

Everybody should have received a letter about parents meetings on 03/03/26. Please return them to me so that we can book a slot to meet in person or online.

Wishing you all a lovely half term break, Mrs Shannon and the Class 2 team xx
