### Outdoor School & PE

Outdoor school and PE clothes have been sent home for the half term holiday. Please could these be returned ready for our lessons on Monday 23rd February.

### Literacy

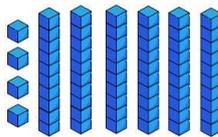

This week we read the fable 'The Tortoise and the Hare'. Children enjoyed listening to the story and they used craft materials to create their own tortoise. They also wrote sentences to retell the story.

### Numeracy

This week we have continued to learn about Place Value through a range of practical activities. Children have been learning to:

- Count back from 10
- Understand the numbers 14, 15, and 16
- Use a number line to 100
- Estimate numbers on a number line
- Partition numbers into tens and ones

### Topic

In our Topic, 'From A to B', we learnt more about the Wright Brothers, who designed and made the first aeroplane. Children listened to a story about them and then recorded information to make fact files. We also looked at the different ways we can travel - on land, air, and water. We sorted different modes of transport into these categories.

### Storytime

This week we have been reading 'Katie and the Starry Night' by James Mayhew.

Have a wonderful half term and we will look forward to seeing you all again on Monday 23rd February!
