# Class 11

Another busy week in class 11 to end this half term. We have been doing lots of valentines themed writing and fine motor skills activities. We have talked about things that we love in zones of regulation and my wellbeing. We have joined with our friends from class 5 for play and leisure which was really good fun. We have been working really hard on our sounds in phonics and we enjoyed writing sentences about the creatures in our book 'mad about mini beasts'

In PE we have been throwing at targets and challenging ourselves with balancing and completing obstacle courses.

We hope everyone has a wonderful half term break. Please remember we will have PE on Wednesday Thursday after half term and outdoor school on Thursday so children will need appropriate clothing for these activities. Many thanks for your continued support see you after half term, Mrs Eadie and the class 11 team.
