

Class 8

13.3.26

Literacy

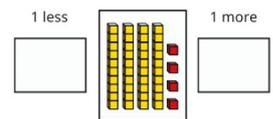

In literacy we have continued reading our story *Wind in the Willows* and have been labelling food and drink items that Mole and Ratty enjoyed at their picnic. We also had lots of fun sampling each item and used our senses to describe and talk about what we liked and disliked. We have also been labelling the outside features of Toad Hall using a range of adjectives.

Numeracy

In Numeracy some of us have continued working on number and place value. We have been:

- ◆ Using a number line to 20
- ◆ Completing a number line to 100
- ◆ Identifying fewer, more or the same
- ◆ Understanding 11, 12 and 13
- ◆ Counting within 20
- ◆ Partitioning numbers into tens and ones
- ◆ Estimating numbers on a number line within 20
- ◆ Identifying one more or one less on a number line

Some of us have continued working on fractions and have been:

- ◆ Counting fractions on a number line

Topic

In topic we have been sorting a range of transport images within the criteria 'old or new' or 'past or present'. We have also looked at images of different transports such as a hot air balloon, gondola, submarine and motor-bike and had lots of fun creating our own hot air balloon artwork.

Storytime

This week we have been reading 'Smelly Monster' by Igloobooks.
