

# Class 6

24.04.26

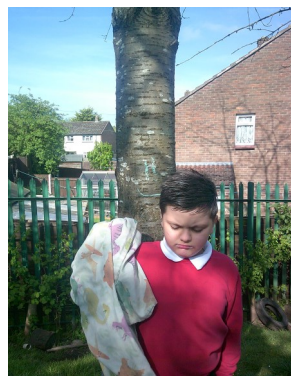

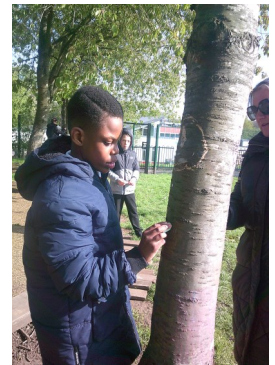

The children in class 6 have had a fantastic week.

In numeracy, the children have started a new topic based on fractions. This week the children have been using pizza's to show whole, half and quarters.

In SPAG, the children have been learning about St. George, the patron Saint of England. The children found out about the legend of St. George and the fact that he was a Roman soldier.

On Thursday, the children continued with their forest school sessions. This week, the children focused on The Zones of Regulation. The children looked at pictures for all of the zones then they went into the forest school's area and used chalk to draw their emotions on a tree trunk. The children had a fantastic time and the weather was perfect for the session.

This week the children have been listening to 'Percy's Friends' THE RABBITS by Nick Butterworth. The children liked listening to the adventures of the rabbits.

Have a great weekend!
