

We've had a wonderful start to the week with our trip to Apley Woods. The children were fantastic, full of enthusiasm and curiosity. They enjoyed searching for different woodland animals and warming up with a hot chocolate and biscuit.

Back at school, the fun continued in our forest area, where the children took part in a range of creative activities, including building clay models and exploring finger painting.

In our topic work, we read Jasper's Beanstalk. The children then made their own mini greenhouses and planted beans, hoping to grow beanstalks just like Jasper's.

In literacy, we began our new story, A Squash and a Squeeze, by Julia Donaldson. The children used the Colourful Semantics framework to make predictions about the story and even created their own hen-shaped poems.

Have a lovely weekend,

Mrs Clarke and the class 9 team 😊
