

Class 6

30.04.26

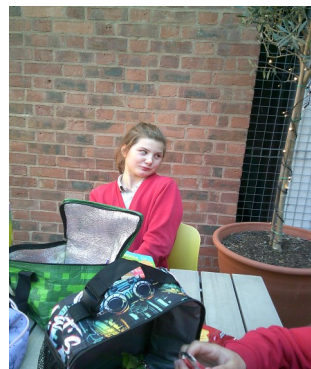

The children in class 6 have had a fantastic week.

In numeracy, the children have continued on their new topic based on fractions. This week the children have been using a range of interactive whiteboard games to support their learning.

In literacy, the children have started a new text, 'A Midsummer Night's Dream' by William Shakespeare. The children have completed an overview of the story and they have learnt the names of the main characters.

On Thursday, the children visited Shrewsbury Museum. The children looked around the museum to link in with their topic of treasure. The children really enjoyed the Roman section and they couldn't believe how old the artefacts were.

This week the children have been listening to 'Supersonic engine juice' by Roderick Hunt. The children liked the fact that Alex's homemade boat beat McGinty's super jet boat.

Have a great weekend!
