Numeracy

This week we have been learning about Multiplication and Division. Children have continued to learn to:

- Count in 2s
- Recognise, make and add equal groups
- Understand arrays

Literacy

This week in 'The Wind in the Willows', we role-played being in Badger's house by tasting some hot chocolate and oatcakes, like the animals do in the story. We continued to read the book and wrote sentences about what happened to Mr Toad when he drove his cars. Children then predicted what they thought might happen next.

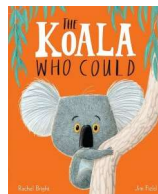

Topic

This week, in our 'Green Fingers' topic, children have been observing their investigations from last week. They looked at how much their cress had grown and recorded whether the seeds grew better in no sunlight, a little sunlight, or lots of sunlight. We then began a new experiment - this time to see if the cress grows better with no water, a little water, or lots of water.

Storytime

This week we have been reading 'The Koala Who Could' by Rachel Bright and Jim Field.

Upcoming Events

- Thursday 14th May - trip to Meadowdale garden centre
- Wednesday 20th May - Shared Learning 1:30-2:30pm
- Thursday 21st May - Trip to St Micheal's church (rescheduled)
