

Class 8

22.5.26

Literacy

In literacy we have continued reading and finished our story *Wind in the Willows*. We have been writing a diary entry as Mr Toad identifying who, doing what and where to recall his recent events. We have also been writing a newspaper article reporting on the Wild Wooders invading Toad Hall and had lots of fun watching the film.

Numeracy

In Numeracy some of us have been working on fractions. We have been:

- ◆ Recognising half or a quarter of an object or shape
- ◆ Finding half of a shape
- ◆ Finding a quarter of a quantity

Some of us have been working on time and have been:

- ◆ Telling the time to the minute

Topic

In topic we have been using our five senses to explore and talk about different herbs such as basil, coriander and thyme. We also had lots of fun revisiting activities linked to pollination, planting, parts of a flower and insects.

Storytime

This week we have been reading 'Rumpelstiltskin' retold by Vera Southgate (Ladybird Tales).
