

We have had a lovely first week back after the half term holiday.

In Literacy we have been reading the story 'Gobbly Goat' and we ordered the story.

In Numeracy we have been learning about place value. We are very good at recognising how many tens and ones there are in a two digit number.

We also had a lovely time in outdoor school, playing hide and seek and using telescopes.

This week was also our last swimming session and the children got to have some fun in the water with toys.

It has been lovely to see how their confidence and independence has improved each week. Well done class 3!

Have a lovely weekend.
