

## Topic

This week in topic the children have started our new topic, Land, Sea, Sky. This week the children have explained what they already understand about habitats and that creatures that live in them. The children have also been exploring different habitats around the world and identifying the features and creatures that we could find in these habitats. Firstly we used the VR headsets to explore habitats from all over the planet and then we explored the habitats in our school..

## Numeracy

This week the children have completed their focus on Mass and weight. They have been learning to measure, compare and convert different measures of Mass. Next week the children will focus on capacity.

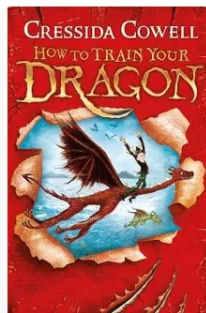

## Literacy

This week in Literacy the children have been learning about Tanka poetry. Tanka poetry uses a specific number of syllables for each line and traditionally describes natural settings. This week the children have been learning to count syllables in words and have been creating their own describing words ready for writing their own poetry next week.

## Story Time

This week in story time the children have been listening to How to Train your Dragon by Cressida Cowell.

Swimming has finished for this year.

Have a great weekend.
