Class 1 News

The children have settled straight back into routine after the holidays and have been working so hard. Thank you for the Tapestry photos that you have shared, the children love seeing themselves and sharing what they have been doing. Please do continue to share your photos with us on Tapestry.

In Topic this week we have been exploring how birds fly: creating our own birds and seeing how far they can fly in the air. You can imagine the giggle and squeals of excitement! We even measured which bird flew the longest distance.

Just a quick reminder– please order your child's lunch choices online.

Have a fantastic weekend!

Mrs Ratcliffe, Mrs Cox and Class 1 Team
