

Class 8

19.6.26

Literacy

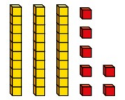

In literacy we have continued reading our story *The Wizard of Oz* and have been reading and following instructions to make and decorate our own special shoe.

Numeracy

In Numeracy we have been working on number and place value. We have been:

- ◆ Counting within 20
- ◆ Identifying one more/one less within 50 or 100
- ◆ Identifying fewer, more or same
- ◆ Partitioning numbers into tens and ones
- ◆ Estimating numbers on a number line within 20
- ◆ Using a number line to 10

Some of us have continued working on time and have been:

- ◆ Recording and comparing time including days and hours

Topic

This week in topic we have been looking at and talking about famous buildings such as Big Ben, Eiffel Tower and the Sydney Opera House, illuminated at night. We also listened to information about Pointillism as an art style and explored how artists used small dots to create light and dark shades of colour. We also had lots of fun using this technique to create our own nighttime paintings.

Storytime

This week we have been reading 'Gozzle' by Julia Donaldson.

Happy
Weekend
