Class 3 News

In Literacy, the children finished reading *The Crunching Munching Caterpillar*. They thoroughly enjoyed the story and took part in discussions about the characters and events. The children also worked hard on sequencing the story, ordering the main events correctly and retelling what happened from beginning to end.

The children had a fantastic time during Outdoor School in the sunshine. They explored natural habitats and learned about the different places where insects and other creatures live. The children showed great curiosity as they searched for minibeasts and talked about what they found in the natural environment. It was lovely to see them working together and enjoying learning outdoors.

In our cooking session, the children made beans on toast. They demonstrated excellent listening skills and were very sensible when using the toaster and hob with adult supervision. The children followed instructions carefully and took pride in preparing their own food. Best of all, they thoroughly enjoyed eating their delicious beans on toast afterwards!

Have a wonderful weekend
