

Welcome to Hedgehogs!

We hope that you have enjoyed your summer break as much as we have enjoyed the first week back! It has been wonderful to get to know all the children and I expect they are very tired this weekend after a busy two days in class.

We have done lots of activities to start to get to know each other both in the classroom and out in the school grounds.

Going forward we will have PE on a Tuesday, Forest School on a Wednesday and Cooking on a Friday. Warm, spare clothes are particularly useful for forest school and we will support your child to change their clothes and footwear. We go outside whatever the weather so it can get chilly at this time of the year and we can get quite muddy! A PE kit will be required (t-shirt and shorts or jogging bottoms) and if possible pumps or trainers for PE sessions. Again we will support children to change and to practice their dressing skills. There is no change of clothes required for cooking.

If there is anything you are worried about or questions that you would like to ask please don't hesitate to contact me either via the home school book or a phonecall if this more appropriate.

All of us on the Hedgehog's team are looking forward to the year ahead.

Mrs Reynolds
