

Our week in Bumblebees 11.09.26

This week the children in Bumblebees have been busy taking time to explore our classroom and are starting to get to know the adults and other children in our class. In our classroom we have different areas to explore with a sensory area, dark room, outdoor area. The children can explore and interact in lots of different ways with access to indoor and outdoor spaces throughout the day. We have also visited some the places around school that we will be using to enrich our learning like the Outdoor School, hall and sensory room and it has been fantastic to see everybody trying new things and exploring new places.

What a fantastic first week everybody!

Have a great weekend, Mrs Shannon, Mrs Clarke and the Bumblebee team. xx
