

Woodpecker

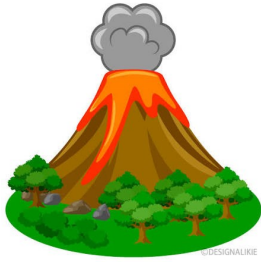

class

11.09.2026

Topic

This week the children have started our new topic which is called Active Planet. This is a science and geography based topic where the children will learn about the structure of the planet. This week the children completed

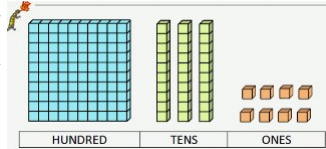

their knowledge harvest expressing what they already know about planet earth, earthquakes and volcanoes. The children also started to explain what they think it would be like to witness a volcanic eruption.

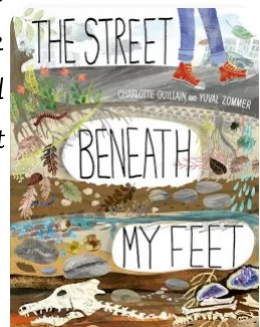

Numeracy

This week in Numeracy the children started to develop their skills and knowledge regarding place value. The children have been representing numbers, finding numbers on number lines and counted numbers accurately. This focus will continue next week.

Literacy

This week in Literacy the children been reading a new book related to our topic Active Planet. The book is called The Street Beneath My Feet. The book presents the earths structure that is underground. Starting at street level and descending to the Earths core. This week the children have been exploring the book making predictions and looking at the different features of the book.

Story Time

This week in story time the children have been listening to the Dragonsitter by Josh Lacey.

Have a great weekend.

P.E is on Thursdays and swimming starts on the 23rd of September.

Have a great weekend
