

We have had a really busy week in Hedgehogs and are continuing to get to know each other.

We have been on a treasure hunt to find items from our storybook and have played with sand, soil, cars, chalk, and Gelli Baff outside, just to name a few activities. In the classroom, we have been reading *Don't Put Your Finger in the Jelly, Nelly!* and have been thinking about rhyming words, making pies, and exploring different plastic animals.

The children have really enjoyed our 'Bucket' activities, especially the whoopee cushion and releasing balloons to fly across the classroom.

In Cooking, the children practised their spreading and cutting skills. We made sandwiches filled with either jam or honey.

We had a lot of fun at Outdoor School. The children played with the forest teddies, chased each other with water sprays, and created pictures using leaves and other natural materials they found in the wooded area.
