Meet the Ladybirds team:

Miss Percival

Mrs Wrighton

Ms Nickless

Miss Windsor

Miss Jeffries

Children in Ladybirds have had a fantastic first full week in school and are all settling well into new routines and getting to know their new learning environment. The staff are really enjoying getting to know the children and building positive relationships. We have enjoyed a range of activities this week, including:

- An Autumn scavenger hunt in our Outdoor School
- Learning spreading skills in Cooking
- Dancing and action rhymes in PE
- Painting autumn leaves
- Making a range of sounds with different musical instruments
- Exploring sensory trays and water play
