

18.6.26

Literacy

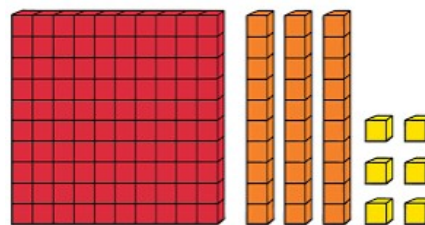

In Literacy this week all the children changed their name to Marianne to imagine they were the main character in our story! They imagined they were with

the dinosaur that came to life and thought about where they would take him and what they would do together. Whilst doing this, we worked on our writing presentation and use of capital letters and full stops.

Numeracy

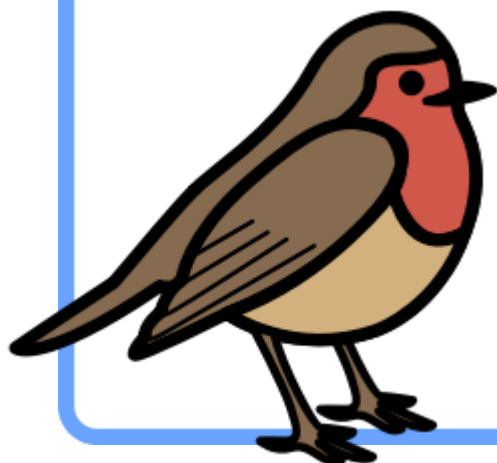

This week in Numeracy we have been working on Place Value. Robins have been using Base 10 to identify tens and ones in numbers and using place value charts. We have also been learning how to partition numbers using practical resources.

Topic

We have had lots of fun this week in our Topic lessons! We have learnt about the different layers of the Earth and the different parts of a volcano. We had a go at making our own volcanic explosions and had a lot of fun making a mess!

We also had a drama workshop on natural disasters where the children learnt about different volcanoes across the globe and used their bodies to act out tornados, tsunamis, earthquakes and volcanoes.

Reminders!

Mondays and Tuesdays: PE lesson and Shropshire Cricket lesson

Wednesday 23rd: We have a special music taster session with a musician!

Thursday 24th: Flu vaccines in school

Friday 25th: RE Day - Christian Creation Story

Friday 25th: School Election Day
